Dear Sirs,

I am told that the January or February issue of the Yale Law Review will include a critique of the Warren Report by Marcus Raskin of the Institute for Political Studies.

This article will be of particular interest to me in relation to work I am doing on the same subject. I should be very grateful to receive the copy of the Review in which this critique appears, as soon as it is available. Enclosed herewith is a check for \$5.00 which I hope may be sufficient to cover the costs of the Review and first-class postage. If not, I will be pleased to send the balance due by return mail.

With thanks for your attention to this request,

Yours sincerely,
