Dear Sirs,

On 7 January 1967 I sent you my check for three dollars with a request for the issue of the Journal in which a review of the Warren Report by Professor Morris Raskin was to appear. I have not yet received this article. Perhaps you would be good enough to inform me whether or not the Raskin review has been published yet; and if not, whether and when it will be published.

Thank you for your assistance.

Yours sincerely,
