Dear Sir,

I understand from Congressman Kupferman that the June issue of The Record includes an article by Professor Arthur L. Goodhart, "Three Famous Legal Hoaxes," which deals in part with the Warren Report.

If it is possible, I should like very much to receive a copy of this article. I am not a member of the Bar but I do have a particular interest in the Warren Report, on which I have published some work. I will of course pay any costs, if you find it possible to provide me with Professor Goodhart's article.

Yours sincerely,
