

Telephone call from Eric Norden, 7/26/67 11:30 p.m.

Had a lot of trouble, two copies of the transcripts, one had to go to Playboy, inserts had to be made, etc...I said, there was no reason why he didn't call...He said yes, he should have called, but he was so busy, so involved with the transcript...I said that I noticed that he had time to call only when he needed something...He now offered to show me the transcript but I said that I would read the interview in Playboy...again he said how very busy he had been for the last two weeks...I said that I had been busy for the last two years or more but had always managed to be courteous...He said I was too thin-skinned, in his opinion...I said, please keep your opinions to yourself...we said goodnight, Mr. Norden, goodnight, Mrs. M. and hung up.
