Not happy. Beautiful
man, he really is — He is
a born lawyer, even in
judgment, weaknesses of
course — but mother's
agency kids wife
respect to him — good
woman — ^{in father's office} better than
anyone he knows —
can say nothing in any
way critical of him

Trust him just beauty
Let him do anything
Cant blame much
time let him criticize
→ He did criticize

No ulterior motives.

Conf data already to
Estab what had to have
happened — P4 des saying
