Fitz Lyon: says OK to use

Big fight re his wish to

call Maggie for Lane's no —  
or send wire — I insist

I do not wish him to beg

him for quote for MY book

nor incur debts on my behalf  
— Lane is discourteous, has had

7 weeks at least, a private,

I don't want being indebted  
to O'Brien or Raskin but I  
want no favor for Lane
