

Phone called for  
Bill O'Connell Tues. 19 Sept 1967  
10-11:05 pm.

Jane to send him transcript my "CBS interview"  
If available copy of substantiating test results  
Will send him also ATF book or galley, whichever  
is available first.

Margie took him wild goose Lane re film  
left cutting room floor - anything? no one  
knows. Put him through inquiries re  
Lane "Steve" & Lefton - Fun what  
Bill says, M. probably did side w/ Lane re  
Nat'l Justice - In any case refused  
to alienate him by saying he was wrong  
(Refused to even ask him if he told Lefton)  
Feels Lane attack on me was really  
because my position on Garrison, but  
purose up a damn to Bill she had not  
been funneling to Lane my views on G.  
She gave dinner party for Lane (in route  
to work) at which Lane said, "From help  
I'm 'y all he has is Russo, and as  
far as I know, Russo is all he has"  
Vince told her, no one should attack Garrison  
unless then he has no case (over)

She told Bill (paraphrase)

"The reason Lyman and Robert Kennedy  
reject Garrison is that they have  
inside information that he will  
fall on his face"

She & others contacted him, feeling  
very upset re my letter to N, R & B.

Bill said he agreed with everything  
in it except last sentence
