

7/3/67 6:30 Eric Norden

just back from New Orleans

In spite of everything, greatly
impressed by Garrison & his
~~audience~~ evidence - Nest Sheridan -
totally fascist face -

asked re WR ← who said,
"no need." Believes totally in G's
honesty & sincerity, quality &
integrity of staff.

Jones Harris was there, & Pepkin.
Jones called Norden a communist,
king of Communism, etc.
