

Bill O'Connell 10/29/67

This error in the
Autopsy chapter is
see sheet p 161

Yesterday saw Maggie
to get type done on
return 1st trip N Ols
because sacrifice insisted
1/2 hr Garrison - got it -
he thinks reluctantly -
(Here deleted him back)

For longish time he has known
Maggie - some months before
11/22/63 - the Savage got him
interested - (Watch for Persona
Razor Blade) - pleasant
relationship, my invitations,
etc. - Alex mother &
admining student - Yesterday
got of motorcade -
she said no one except she
has motorcade "right."

She said she wanted 'to explain her position on the materials' is she should address to the JFK before TSPD mission to be shut.

She said he had got going with Tully and stand up, dismissed him.

Fog called him, 1st time since return

Carroll's had needed for him - found that change very electrifying

Maggie arranged for me to meet her at Center for Democratic Justice (last can't recall him). Selected Mark Lane. At dinner, both departed for US Maggie charges she - JFK had "prints in" Garrison used face on face.

Maggie disparaged the passage on paper by being post office - saying she doesn't have any in document for it
