

Bill O'Connell — — Sat. 6:35 pm 11/25/67

If I want to stop being friends after
he tells me everything he will understand.

After 1st hr, made case vs autopsy,
said in conclusion, conditionally can
accept the autopsy. [Study announced

Jan 12 hr later] No one called

Dead silence He is unable to

understand why they didn't at

least call him — even to

berate him.

The silence tests faculty mind sometimes about —
fairness.
