Vaggie said — on  
return from NYC in Feb —  
"I'm going to disassociate myself  
from Lane, Weisberg, Sylvia, everyone  
— I don't want my book to be  
associated with the genetic fringe —  
it a unique work."

This week, she told Bill: "We  
(Kay and she) have decided the critics should  
disassociate themselves from Garrison —  
should not stand or fall on the outcome  
of the Shew trial — "but of course  
she was completely dedicated to  
Garrison."
