Thurs. 2/1/68 2:30 pm

Ockene, heard from Tom Katen, Vince cooled off re Garrison, I asked him please as "prosecutor" but he refused:

Epstein 7pm, Vince was in N Dols last week to address J's staff; J mostly <sup>devoted</sup> ~~ungrateful~~ = U's "reconstruction," intends to work on that line

(Earlier in week: J Harris says, Dick Billings' book will be highly anti-J; but Bill O'Connell says, Billings on coast, talked w/ Lipton re J, strongly defended J.]
