work)

G. gave him something off. rec.

No sensational that if true -----

Supposed bombshell is that  
a European intelligence agency  
(Cuba? or USSR?) has a film  
implicating some G. victims  
No one has seen it but  
stills smuggled in, G. staff  
have seen them. Now picking  
out some faces.

Again off. rec., G. has  
surprise witnesses -----

Will call again, discuss how help his article
