

Bill O'Connell

10/22/67

book is absolutely staggering, beautifully
putten up.

did not expect such excitement. I had
not prepared him for it.

Garrison was here, Maggie deim party, Bill not invited
split his time betw the by - hipton. Coincidence
TMO edit, really strong. G guff, ingenious.
They all fawned over him, little strong-eyed.

G said show not imp't to case — select circle
shown clay = Bertand — used not tell Bill.

Hand G say (approx) "legal truth? what's that?"

I'm concerned only = what the jury decides."

J. Paul, now going to
Isolate attack Walker &
Hunt, shift in tactics
I asked any helpful
data for critics.

J. defended code to
Messie, who gave to
Bill "maybe I'm being
hambogled"

For dessert, the No. 5 man.
