

SEGMENT OF "NEW YORK, NEW YORK" BROADCAST OVER
WABC-TV (NYC), DECEMBER 31, 1967

- Q. (by ABC newsman, probably Bill Beutel): "Do you think that the Warren Commission has not admitted that there is conflicting evidence?"
- A. (by Josiah Thompson): "No; quite clearly. I mean it was the work of critics over a number of years - most recently Sylvia Meagher in her book 'Accessories After The Fact' - who have pointed out profound discrepancies between the conclusions of the Warren Commission and the evidence on which those conclusions were based.
