Dear Joe,

Thanks for sending me the issue of January 4th with your excellent story on the Warren Report critics. I would be grateful if you would send a copy also to Robert Ockene at Bobbs-Merrill Co., 3 West 57 Street, NYC NY 10019 (and any later stories mentioning ACCESSORIES AFTER THE FACT).

Re: Sparrow's article, Bob Ockene tells me that it will be published in expanded form as a book, to be released in March this year by Chilmark Press and distributed by Random House.

With kind personal regards,

Sincerely yours,
