

Telephone call from Al Wiman of KLAC radio, Los Angeles,  
Friday 5 p.m. 12/29/67

Wiman asked me to comment on the latest Garrison sensation--his  
subpoena of Loren E Hall, Lawrence Howard, and Thomas Bechham. We taped  
a half-hour or so interview in re: the WR and the DA.

Wiman had heard of AAF only because Tink is in L.A. and mentioned  
it, to him, and also during his interview(s) on the media. I promised  
to have a copy of AAF sent to him, also, to send him some of the reviews.
