Dear Mrs. Meagher:

Enclosed are a few leaflets announcing the Saturday forums which are being held by the Jeannette Rankin Rank and File. You will notice that your book has been mis-named-- I hope you will forgive the error. (If you consider that my name is also misspelled, it may ease the pain.)

Many people whom I have spoken to have said that of all the programs, the Assassination is the one they really want to come to, so we may have a rather large audience. The set-up is simply a living room, with lots of extra folding chairs--we can seat 40 or 50 people. Eric Norden has accepted our invitation, and I have sent a notice to the Assassination committee, so that they may have some people present too--not as panelists, but audience.

I look forward to seeing you--if you need (or could mail out) more leaflets, please give me a call and I'll mail them to you.

Thank you,

Denzil Longton
