Each tape is 7 inches in diameter.

Do you want to borrow and copy any of them, or all of them? If so, let me know by number; and as soon as I have listened to, and perhaps transcribed each one, I will mail it to you; and as you return one, I will send the next.

Much love,

Hastily,

P.S. There was so MUCH work involved that Bill could make only the one copy for me in each instance.
