

REDWOOD TANKS IN THE CELLARS OF THE
ITALIAN SWISS COLONY WINERY

Wines aged in redwood are more mellow and here in this million-gallon cellar, all of the Italian Swiss Colony wines are mellowed in Redwood. The historic Italian Swiss Colony winery is located in the small village of Asti, 85 miles north of San Francisco on the Redwood Highway.

Please send me
info about your
book and also let
me know if you are
lecturing in NYC some
Friday or Saturday night.
