I heard you on Jack
Mc Kinney's program in Philadelphia.
Your grasp and knowledge of the
Warren Commission Report impressed
me. With people like you and
Harold Weisberg delving into the
subject, I feel relieved when I
doubt the veracity of the Report.

Since I am going to
read the Hearings and Exhibits,
I would like to purchase your
book. Enclosed is \$4.25 to cover
cost of book and mailing, and if
more is due I will send the amount
due.

I remain

Sincerely
Glen Myers
