Dear Mort Sahl,

It was a privilege and a joy to talk with you last night and I look forward to the pleasure of meeting you personally as soon as I can make my way to Los Angeles.

Maggie Field suggested that some of your listeners might want to use the Subject Index to the Warren Report and Hearings and Exhibits and reminded me that I had not mentioned the publisher. I am therefore enclosing a few publisher's announcements, describing the Index and indicating where orders should be sent.

Like many of my friends, I am delighted and encouraged by the cancellation of the cancellation of your brilliant, courageous, and unique television program. My heartfelt best wishes, and profound thanks for your support of the critics.

Sincerely yours,
