Dear Mel Baily,

The critics of the Warren Report as well as the public at large are greatly indebted to you and your associates for the Minority and Majority reports televised over the weekend. Please accept my congratulations for providing a forum for the valuable discussion and examination of this immensely important question.

Leo Sauvage, who would have been most interested in last night's Majority report and the Hizer "brief," is away in France. I know that he would be grateful to receive a copy of the transcript, if that is possible. His address is 270 West End Avenue, New York, N.Y.

Also, Mrs. Marguerite Oswald is very anxious to obtain a transcript of the Majority report. She is at 4029 Byers Street, Fort Worth, Texas.

Needless to say, I too would appreciate a copy of the transcript. Again, my congratulations to you, and to Mrs. Baily my warm regards.

Yours sincerely,

Sylvia Keagher
