Dear Miss Meagher :

Further to our telephone conversation earlier today , our faculty and students would be honoured to have the opportunity to welcome you to Victoria in the new year to discuss your criticism of the Warren Commission Report .

We can guarantee a very large and open - minded audience .

From our point of view the 12th of January would appear to be the most convenient date but please don't hesitate to suggest a different date if this would not work into your schedule .

While we are operating unfortunately on a rather limited budget , we would be pleased to arrange air transportation from New York to Victoria and return and in Victoria we would like you to be our guest at the Empress Hotel .

In addition we would be pleased to offer an honorarium of \$150 .

We shall look forward to hearing from you in this regard at your earliest convenience .

With best wishes , I remain

Sincerely yours ,

Gordon R. Pollard
