Dear Mr. Stamm:

The "Texas Supplemental Report on the Assassination of President John F. Kennedy and the Serious Wounding of Governor John B. Connally, November 22, 1963" is no longer in print. We did not anticipate the demand would be so great at the time of publication and the supply was quickly depleted. We are sorry that we cannot furnish you with a copy.

Yours very truly,

Dan B. Gardner

Sylvia,
Do you have a copy of the above?
If "yes" may I make a copy of it?
If "no" can you suggest a source for copies for both of us?
