College of Arts and Sciences Political Science Department Dear Sylina, What a wonderful evening! I'm so glad we finally met, and under circumstances favorable to relaxing and discussing. I'm very curious about Ruly and M. Jelly (enclosed). How and why did an out-q-state shrink with a background of overdocing elephants on LSD get called to Ruly's cell to dragnose - and treat? - him ? being the only author" I've ever met who is more - as apposed to less - intelligent and interesting than their admired work. Best Regards
