

9 June 1966

Dear Curtis,

*Crawford*

I hope that you have read—or will read without delay—the new book *INQUEST* by Edward Jay Epstein (Viking Press); see full-page ad in next Sunday's New York Times book review section. Stories inspired by the book have appeared in the Washington Post 5/29/66 page 1; Los Angeles Times 5/30/66 page 1; New York Times, 6/5/66, page 42; Detroit News 6/5/66 page 1; and *NEWSWEEK* dated 6/13/66, pages 36-38 (now on the stands).

You may also find of interest *THE MINORITY OF ONE* for March and April 1966 (two-part article by Vincent Salandria) and for June and July (book reviews, by me).

If *INQUEST* causes you to reevaluate the Warren Report, I should be most interested in hearing from you.

With kind regards,

Yours sincerely,
