Mrs. Meagher,

Thank you for letting me have a look at the article. I do want to commend you, verbally as well as on paper, on a really wonderful piece of writing. I am convinced that this core of people involved in the research surrounding the assassination of JFK needs a stirring writer such as you to move the general public to even at least consider this past but yet ever-present event.

I would indeed appreciate your keeping me informed of anything which you think would interest me.

Many thanks again.
