

File - Miscellaneous

21 June 1966

Mr. James Schmitt
2030 Fell Street-Apt. 8
San Francisco, Calif. 94117

Dear Mr. Schmitt,

The Minority of One has informed me of your inquiry. You may obtain the subject index by writing to the publishers (see enclosed circular).

In case you do obtain the index, you will wish to have the enclosed errata sheet.

I will be interested to know of any work you have done in this field. You probably know that several new books on the Warren Report have been published or are soon to appear.

Yours sincerely,

Sylvia Meagher
