Dear Madam, -

I have tried for the last 3 months to buy a copy of your book "N.B.C. Seventy hours and thirty minutes" which was noted on page 1259 of the 1966 issue of "Subject Index of Books in Print". It is listed as being published both by Scarecrow and Random House.

I ordered it from the "Newsland Book store here and they have not been able to get a copy. Neither have they been advised it is out of print

Mr Penn Jones gave me your address and I am writing you direct for the name of the Publisher and the price of your latest book

which I understand is "Accessory  
After the Fact" before they are sold  
out. Also if there is anywhere I can  
inquire from any distributors that  
may have a copy of your N.B.C. book.

I received a letter from Mr Harold  
Weisberg that he has just received a  
copy of your new book, but that he  
has never received a copy of your  
NBC book and is trying to get one

I would be very grateful if you could  
give me the address of Mr. Edward J  
Epstein as I understand he is having  
published a book "The Political Truth"

It is very hard to buy books on  
President Kennedy's assassination.  
here in San Antonio, which is not  
confined to books critical to "The Report  
of the Warren Commission". I ordered  
\* "Were We Controlled" on August 23<sup>rd</sup>  
when excerpts were on the Radio: and  
the local Birch Society Bookstore won't  
even admit that "Legacy of an Assassination"  
was ever published. I am

\* I have never  
received it yet

Sincerely yours  
W.C. Thompson
