Mr. Fred Newcomb 4640 Noble Ave Sherman Oaks, Calif.

Dear Fred.

Enclosed are four sets of pictures of Kerry Thornley printed backwards but otherwise the resemblance to Oswald and his receding hairline, which when his hair is combed the opposite of his normal fashion is quite caphatic.

What I would like you to do with one of each pair is pretend you were a make-up man doing the minimum necessary to make Thornley look as much as possible like Oswald as for example by pruning off or brushing back the forelock, trimming the eyebrows, shadowing the chin, etc. I would like you to keep one pair for your use out there, send one pair to me and the other two to Jim Garrison, District Attorney, 2700 Tulane Avenue, New Orleans, La. 70119.

Best to Marlyn and overyone else and many thanks.

Sincerely,
