Dear S -

Eyeshadow chewed the corner of the Palmer document. Don't bother to even read it if you don't want to. I meant to ask you on the phone if you knew a book called Assassinations or Great Assassinations, by Sparrow. (I'm at the office & don't have the book in front of me.) He goes into a lot of detail about the JFK affair & lists 10 or 12 important maneuvered questions. He has nothing new on the R. Kennedy or King assassinations. (Balance of book is less familiar cases - Far East, etc.)

Ted says he heard two "Tomorrow" (Snyder) broadcasts re the assassination - that is, he heard part of each of the two. A. Specter was on the 2nd one; Ted says he (AS) didn't really answer or even discuss the major points at issue. Of course

Best from all of us

Isabel
