Dear Sylvia:

I am in the process of preparing for a New York publisher a book tentatively entitled *The Politics of Assassination*. Because of the current interest in the subject of assassinations, they are planning for the earliest possible publication date. May I please have your permission to include the following material from

Accessories After the Fact

"The proof of the plot," pp. 376-387

"Tippit," pp. 253-282

"The Zapruder film," pp. 27-35

"Epilogue: A New Investigation," pp. 455-457

Texas Observer, August 13, 1971, "The Curious Testimony of Mr. Givens"

in my book and in future revisions and editions thereof, including non-exclusive rights in all languages. Should you not control these rights in their entirety, would you kindly let me know to whom I should write.

To keep to the publication schedule, we shall be required to use only material for which permission can be secured promptly. We would therefore appreciate hearing from you as soon as possible.

Thank you for your kind consideration.

And for your hospitality.  
We are hoping to include an extra copy of the outline for you,  
in case you have any comments.

for the editors
