Dear Sylvia and Tink:

The enclosed letter to our eminent Vice-President may be of some interest to you.

Incidentally, I asked to get a transcript of my deposition and was informed that this is not possible.

It was a clever trap, but I walked into it with full knowledge. The alternative - refusing their invitation to testify - would have been more damaging to me and our cause in the future.

Anything new from your end?

With kindest regards.

Sincerely,

  
Cyril H. Wecht, M.D., J.D.
