Dear Mrs. Meagher,

Thank you for your reply. I understand that you are quite busy and no doubt receive far more inquiries than you can handle. Therefore, if you cannot respond to this, my second letter, kindly forgive me and think nothing of it.

However, I very much need a copy of your classic "Accessories after the Fact." Do you know of any way I may get one? I've tried O.P. bookdealers, no luck. Thanks again anyway, and Thanks for your great work.

Sincerely,

Robert Chapman
