Dear Mrs. Meagher:

I have enclosed a copy of the letter from Stephanie Brody of Esquire granting us permission to reprint your article "Notes for a New Investigation." You will note that she mentions a reprint fee of \$150.00 payable to you and \$35.00 to Esquire. Since you so generously declined to accept a fee from us, we simply paid the amount due Esquire and let it go at that.

My thanks for your kind remarks about our issue on the JFK assassination.

Sincerely,

Christiane Schlumberger
