Dear Sylvia:

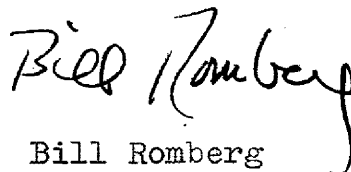

I called you yesterday regarding your book Accessories After the Fact: The Warren Commission, the Authorities, and the Report. You informed me that a publisher besides Bobbs-Merrill is considering publishing your book in paperback. I enclose a self-addressed, stamped envelope so that you can inform me as to what is happening with the proposed paperback edition of your book.

I'm associated with the Milwaukee branch of the Assassination Information Bureau. We have in the past and will in the future sponsor lectures, movies and symposia on the political assassinations and attempts of our country's recent past. Do you lecture and if so what are your fees?

Thanx.

Yours in the hope of a
world safe for life,

Sincerely,
