Dear Ms. Meagher:

We are presently in the process of compiling an annotated bibliography on the Kennedy administration and the Kennedy family for book publication.

You were so kind in February of this year to direct me to the means of obtaining your SUBJECT INDEX... We have since obtained a copy of this valuable work from University Microfilms.

It is of satisfaction to us that your writings are receiving much deserved recognition. We would like to obtain copies of your work published in THE MINORITY OF ONE but they are difficult to obtain. We do, of course, expect to pay for the service of having them copied. Our Ayer DIRECTORY OF PUBLICATIONS does not include this magazine, so I am writing to ask if you will send me the address if it is still publishing. If it is not, can you suggest a way we can obtain copies of your articles? We also would like to obtain your later articles.

If you have a list of all of your published writings to date this would be very helpful to us.

With every good wish always,

Sincerely,

Dorothy Bohn
