Dear Fred -

It was good to hear from you again, and I thoroughly enjoyed Melford Evans' review of your ms. so much so that I would like to beg, borrow or buy a copy. Will that be possible?

I am trying to stay away from the center of the renewed storm around the Warren Report. I do not wish to court further disappointments.

of course, it is impossible to stay entirely aloof — especially as Accessories is being reissued in paper back by Random House/Veritage in February.

Have you read Comp D'Etat in America? I have been told that it is pure junk.

Let's try to stay in closer touch, now that contact is reestablished.

All the best,

As ever,

Sylvia
