Dear Sylvia,

Enclosed is a tear sheet from the  
Mpls Tribune editorial page. It contains  
an article by me, in which I mention  
you, and a reprint of an op ed Times  
article of last week by John Ely.

I hope this gets to you, as I have  
misplaced your home address.

I have been in touch with both Paul  
Wallach and Fritz Schwartz of the Select  
Committee on the CIA and understand that  
you are willing to help them. I'm glad and  
hope this indicates your health is better.

Best regards,

Red Crosby
