Mr. Ned Crosby
President
Center for New Democratic Processes
1414 Soo Line Building
Minneapolis 55402

Dear Ned,

It was good to hear from you again, and thanks for the tear sheet of your excellent article. It goes without saying that I am grateful for your generous remarks about my work. Indeed, I have been treated very kindly in numerous articles about the case and I can only hope that I deserve it all.

I am particularly glad that you nailed David Belin with the Givens story. It is such a serious piece of evidence against his (and the Commission's) probity and integrity that it cannot be recounted too often.

By the way, and this is only a petty point, the Subject Index covers the entire 26 volumes of Hearings and Exhibits as well as the single-volume Warren Report itself.

I have been contacted by Paul Wallach but we have not yet met each other. I hope that we will have an opportunity soon.

As you may have heard already, Accessories will be issued as a paperback in March 1976 by Random House. Of course, I am very pleased about that.

With thanks and kindest personal regards, as well as congratulations on your presidency of the Center,

Yours sincerely,

Sylvia
