Dear Sylvia--

As always it was very good talking
to you last week.

Let me say I want to re-affirm our
invitation to you to stay with us
should you decide to spend your vaca-
tion on the West Coast. We hope you
do so!

I had occasion to go into my
Salandria file this morning, and saw
that Vince in his letter to you of
Feb 8, 1969 makes reference to your
letter of Feb 5 '69 to Harold Weisberg.
May I have a copy of your letter?
(I want it in order to complete my
file on that particular controversy)

Love,
Ray
