Dear Sylvia,

I am sure you moved since this address, but I hope this gets to you.

Ted Gandolfo had your address, but he isn't speaking to me anymore, for a good number of reasons.

When I started this work, I didn't bargain for, or expect, some of the intrusions into my life that came along.

Ted told me you were at the NYU conference. I am sorry I didn't know you were there. I would have liked to speak with you.

Is there any chance of meeting while I am in NY this time?

I will be staying at Grant Duays

212 -228-6548 from Sunday evening, Dec. 14-20

214 E. 11th St. 3A

Maybe you can call him, and leave your number.

Is there any chance of your coming to the Elgin?

Would you take part in the program, questions..be introduced, etc?

Could you stay, between and have dinner..or do you still work in the day?

Would you do a radio show on WBAI with me? I do 4-5 hour talk shows with Bob Fass. and will do one, probably, ~~Thurs~~ Friday night, Dec. 19.

In any event, I hope you got this letter and that it doesn't come back to me, and that we can meet.

take care,

This bibliography is by no means a full list of important books to read in
order to understand our assassination, conspiracy oriented society. My library
consists of over 400 books related to these clandestine events. If you read all
these, you will get a background of how such events were able to take place,
and how they are concealed from the public at the time they are happening.
Hundreds of persons, probably thousands, are now putting the pieces together.
My work started Nov. 24, 1963, two days after JFK was assassinated. There were
approximately twenty persons who were suspicious of the police and FBI
conclusions and started investigating on our own. the week that JFK was killed.

BIBLIOGRAPHY

ALL MAJOR CONSPIRACIES INVOLVE:

1. MOTIVES: Pentagon, National Security Council
2. VICTIMS: President, Senators, Candidates, judges, lawyers, witnesses, and others.
3. GUN MEN: The Hit men, hired killers, back up group, security guards.
4. PATSY: One person, or a group, who will take the blame, and be cut off by others.
5. SYNDICATE, ORGANIZED CRIME: The CIA, FBI, and other agencies use crime figures.
6. POLICE DEPARTMENTS: Special Squads, Sheriff Dept., local police assistance. CCS.
7. FBI: Washington, DC and Local FBI. Part of planning and cover up.
8. EXPERTS: Ballistics, medical, photographic, fingerprint teams used to cover up.
9. SECRET SERVICE: Private guards, infiltration, passed off as "neglect."
10. EVIDENCE: Locked up for "75 years", missing, altered, planted, destroyed, delayed, ignored, inconsistent with other facts.
11. WITNESSES: Murdered, threatened, allowed to escape, discredited, isolated, missing. Perjury not punished. No cross examination. Wrong witnesses.
12. GOVERNMENT, STATE AGENCIES INVOLVED: CIA, FBI, HEW, Dept. Motor Vehicles, Treasury, Commerce Dept., Dept. of Transportation, IRS, Navy Intelligence.
13. MEDIA: Life, Time, Newsweek, Associated Press, United Press, CBS, NBC, ABC.
All major media totally ignore evidence of conspiracy, foul play.
14. SUPREME COURT, JUSTICE DEPT, ATTORNEY GENERAL, SPECIAL PROSECUTORS, LAWYERS FOR THE DEFENSE, LAWYERS FOR PROSECUTION: The legal profession has completely turned the courts around. Innocent are in prison, The guilty are free. Conspiracy trials and appeals are a mockery of justice.
15. PRESIDENT OF THE UNITED STATES
The President works on a Need to Know basis, not with details of political assassinations and conspiracies. He is told. He can be killed.

There is a web of social and political interaction between all these groups which prevents citizens of the USA from being able to separate facts from fiction, murderers from public servants, and co-conspirators from public officials.
