Dear Mrs. Meagher -

Since I spoke to you on the phone last week, + promised I'd write you, I wrote to let to an ed. of the Village Voice, + as it is at least a good glimpse of the results of my research, + about all I want to put into write, I'll just give you the copy.

My series glimpses into the future incl. overheard a radio announcement, 10 yrs or more hence I guess "the DeM-2 have given themselves up", means the key plotter, + wealthy Mr. De M. (+ his wife + support) had ended their fugitive evasion of justice.

But unless we who do know the way to trail some stick with it the lives of all those innocents who know too much will be unquiet, + our consciences never rest. Curt Gibson
