Dear Mrs. Meagher:

I appreciate that nice letter of yours, and your understanding of all that last delay. Thanks, too, for sending me that commentary of yours on Albert Jenner's broadcast. I'm sorry I did not know he was to be seen here on WNYC-TV, and I would have been deeply interested. It is a surprise to me to hear that he said some commissioners and the staff members saw the autopsy pictures. One of our reporters had talked to him, and did not report such an observation. The one staff member I know to have seen any of the pictures was Arlen Specter, who saw a picture of an apparent bullethole--a story Whalen has since gotten into the Saturday Evening Post (Jan. 14, Page 69).

With all good wishes,

Sincerely yours,

*Peter Kihss*
