Dear Mrs. Meagher:

It was good of you to write about that Edward Horsey idea. I had left a memo for Harrison Salisbury, who is currently in charge of national news and whose schedule and mine differ so much that I never did hear what he had done about it. My own feeling was that anything Horsey had to say would probably be unprovable and unpublishable, but it might be worth our knowing what he was saying to see if there was any kind of a lead.

I did appreciate your thought.

With all best wishes,

Sincerely yours,

Pete Kihss
