Dear Sylvia,

Hi -- you once mentioned that David had send you some radio logs. Would it be possible to borrow them and copy them and then return them to you?

We would take good care of them and return them as soon as we have copied them.

I am ordering this kind of material from the Archives and remembered you mentioning that you had these and would much rather copy them from you if I could than wait four weeks for my order from the Archives.

MANY THANKS,

FRED
