Re: your draft letter to J. Edgar

Please see Accessories pp

10-222 and 314-315 on

for caption of Oswald's mail -
along the same lines.

I have no special comments

1 your letter as such but
to wonder what you hope

to receive in reply. If you

are ever corresponded with

is however, you will know

that he is a master of

the non-reply. He does

answer letters, pro forma,

it neither confirms nor denies

or responds in any real sense;

2.

I will be interested in the
outcome of your inquiry.

Things are generally very

quiet. No reply yet

from Bush or Marshall to

Woblet's application & see

the category photos & X-imp.

My guess is, they don't dare

let him see the materials,

they can't find any pretext to

refuse, and hope he will

get weary and stop asking.

All the best,

John
