

HSC news: None at all!

Clippings:

- ***
1. Dec 78 Freedom (Scientologists) [8 pp.] "Former Agent (Swearingen) Tells the True FBI Story." His stories of phony informant files for bartenders, etc., when agents were pressured to have informants, makes it sound possible that Ruby was one.
 - ** 2. Feb 79 Freedom [7 pp.] (More of Swearingen's story)
 - ** 3. Feb 79 Freedom [5 pp.] "Journalist Tells of FBI's Media Tampering"
 - ** 4. Feb 79 Freedom [5 pp.] "CIA Sought Mind Control...."
 - ** 5. Feb 79 Freedom [5 pp.] "FBI COINTELPRO - Dead or Alive?"
 - * 6. May 79 P-POT (Pursuit) [3 pp.] E. Sprague on Blakey - "Enigma?" (Ghastly!)
 7. May 79 P-POT [1 p.] Ed Berkeley disagrees with Sprague - Blakey is simply a liar.
 8. Jun 79 Penthouse [5 pp.] Volkman & Cummings on "The White Hand" (Same as item 10 on my 6/2 list, but this copy is legible.)

***✓ FBI LEIU Documents:
