Dear Mrs. Meagher:

I have a Mannlicher-Carcano rifle identical with that alleged to have been used by Mr. Oswald in the assassination of the late President Kennedy. Now, I should like to obtain a scope and mount identical with that in Mr. Oswald's gun but have been unable to obtain one. Klein's in Chicago do not seem to have any.

I have been told that you are a "gold-mine" for such information and would appreciate if you could let me know by return air-mail where one could be obtained.

I will be in Washington during the week of April 1-5 and if you should be in the vicinity I will be staying at the Park Silver Motel at 8040 13th, Silver Spring Maryland. There is a remote possibility that I may come up to New York April 6. If so I should like very much to get in touch with you.

Sincerely,

John Nichols
